SACRAMENTS: All Sacraments are based on readiness of FAMILY and student. Readiness means that parents take an active part in the Education of their child (ren) and regularly attend Mass and Sacraments as a family. Diocesan Regulations also requires that the person receiving the Sacrament be enrolled in Religious Education Classes for the two years prior to receiving the sacrament.

Religious Education is an integral part of faith formation. We expect regular participation at Mass. Family Prayer and parental involvement is very important in the Religious and moral development of our children.
